

CALL FOR POSTERS + DEMOS

Submit online at bit.ly/WestData18Submissions by 9.1.2018

Open to all, including academia, industry, nonprofits, government.

Posters should highlight the use of data science for addressing societal and scientific challenges, spurring economic development, and/or fostering a national big data ecosystem. Posters are especially welcome in the West Hub thematic areas:

- Metro Data Science / Smart & Connected Communities
- Natural Resources & Hazards
- Precision Medicine
- Data-Enabled Discovery and Learning
